'Tis fine Eureka

tbh as much as I love ML I'd get over it in a couple of months (okay maybe like four but still not that long)

And yes I very much agree with Eureka that being nice and respectful is more important than a roleplay

So

Let's just let this thread die

And continue RPing and being nice to one another

it's hard to pretend that I'm perfectly calm and okay with this when this thread keeps getting bumped.

Who are we to wonder where we're going?

Who am I to tell me who I am?

Let's take it back, and take in every moment

Who am I, to tell me who I am?
